

Toccoa Historic Preservation Commission (HPC) Certificate of Appropriateness (COA) Application

PLEASE NOTE:

Application Requirements:

All applications must be complete and include required supporting materials (listed on the reverse side of this application form). Incomplete applications will not be forwarded to the HPC for review.

Application Deadlines:

Applications and support materials must be submitted fifteen (15) days prior to the regular HPC meeting, usually the first Thursday of each month. Applications must be submitted at City Hall.

Application Representation:

The applicant or an authorized representative of the applicant must attend the public hearing to support the application.

Building Permit Requirements:

In addition to a COA application, building permits must be acquired from City Hall. Building permits will not be issued without proof of a COA.

Deadline for Project Completion:

After application approval, the COA is valid for 18 months and null and void if construction does not begin within 12 months.

Work must be completed as presented and approved:

If modifications or amendments become necessary, such changes must be presented to and approved by the Historic Preservation Commission prior to beginning work on any aspect of said modification or amendment.

2. COA Application Checklist

The Toccoa Historic Preservation Commission has provided this checklist to assist you with the completion of the Certificate of Appropriateness application. The checklist ensures the applicant has included all necessary information regarding the project, contributing toward a quicker approval.

Please be sure to include all of the following information with your COA application:

For new building or an addition to an existing building or addition of a new porch, deck, outbuilding, patio etc.

- Site plan with footprint of building including contour lines, location of all buildings, parking, fences, walls, porches, decks, etc. to be added
- Architectural plans/building design including:
 - Interior floor layout indicating exterior door and window locations
 - Drawings of all building elevations – all sides of the building
 - Location and description including photos of all exterior lights
 - Description of design and materials for all exterior features including roof, doors, siding, windows, trim, porch balusters and handrails, foundation, cornices, handicap ramps, etc.
- Include photos or drawings of each, e.g. doors, windows, trim, cornice, balusters, etc.
- Photos of proposed site and adjoining properties/buildings
- Landscape plan including all hardscapes, walls, and fencing. Landscape plan should also include:
 - List including names and types of all trees and plants over 36" high
 - Planting schedule

- Elevation drawings of all new facades and walls showing trees and plantings when grown to mature height
- List of all existing trees on the property noting any to be removed

Alterations to Building Exterior; e.g. changes in windows or doors; foundation, roof, siding, exterior lighting, porches, awnings or storefront materials.

- Photo of existing building
- Photo of earlier historic appearance
- Sketches or drawings and description of proposed changes
- Description or picture of the type of material proposed for use in the alteration
- Photos or drawing of the building element to be altered, e.g. doors, windows, trim, cornice, balusters

Site changes including parking areas, drives, walks, addition of fences, walls or outbuildings, and major landscape elements, including removal of large trees or shrubs.
